IBS multifunctional oil MultiFix

Innovative technology

Extremely high capillarity

Infiltrates rust through high penetration and creeping ability. Loosens stuck screw connections, threads, bolts, fittings and valves effortlessly. Reduces wear.

Easy handling

Equipped with industrial spray head and extended nozzle - low evaporation losses, precise work possible even when wearing gloves.

Perfect cleaning effect

Ideal for cleaning oil and grease, grease soiling. Suitable for the care of tools, machines and precision equipment. Also for glossy surfaces for finishing. Eliminates squeaking and creaking noises.

High yield

Ensures residual emptying, even with "overhead" cleaning.

Long-term corrosion protection

Leaves a thin oil film, displaces water and moisture. Special additives prevent renewed corrosion.

Effective lubricant

Reliable long-term lubrication, protects and preserves all moving parts.
