

IBS pump set type K/KP

SKU: 2222057

Pump set for the IBS parts cleaning device type K, KP and KD complete with mounted safety foot switch, electric cable, brush hose and brush.

The IBS special pump type K/KP is a self-priming pump and was specially developed for use in the IBS parts cleaning device. The pump has a low flow rate and does not build up pressure, thus fulfilling all requirements of the prescribed standard (EN 12921).

The unique suction system and magnetic slip clutch ensure maintenance-free operation and a long service life. When using IBS special cleaner, we grant an extended factory warranty of 3 years.

Scope of delivery:

- IBS special pump
- IBS foot switch
- Electric cable with safety plug
- Brush hose
- IBS special brush, coarse
- Hose clamps

The pump is completely assembled and ready for immediate use.
